Course details

The Level 2 Certificate in Youth Work Practice is a youth work qualification on the Qualifications Curriculum Framework (QCF). It is the minimum qualification required for those wishing to work as a JNC Qualified Assistant Youth Support Worker.

The Level 3 Certificate is designed to develop and support the knowledge, understanding and skills necessary to fulfil the role of a Youth Support Worker/ Worker in Charge.

Both Levels aim to improve the service to young people by providing a qualification that embraces national standards for the practice of youth and community work, identifying core competencies and specific learning outcomes.

Both courses are part-time consisting of taught hours, your own study time and your supervised face-to-face work with young people within a work or volunteering placement. Learners must also allow personal time to build a portfolio of work based evidence.

In addition we are also offering a course route for those who wish to **Convert** their existing **Level 2 Certificate Qualification to a Level 3 Certificate**. This is only open to those who have successfully completed the new Level 2 Qualification which started in April 2015.

Equality of opportunity

Equality of opportunity is regarded as integral to all aspects of work with young people. It is recognised that there continues to be widespread, direct and indirect discrimination against many groups of people. Individuals and groups experience this discrimination as oppression, an habitual or systematic process whereby individuals, groups and institutions with ascribed or achieved power unjustly limit the lives, experiences, opportunities, choices and material well-being of those with less outward power.

“Double Two” Consultancy, Lifetrain, The Harrow Club W10 and ABC Awards will endeavour to ensure that through their policies, procedures and actions, all candidates applying for a course place and subsequently entered for assessment are treated fairly and on an equal basis. Access to our qualifications is open to all candidates taking full account of gender, ethnic origin, creed, employment status, nationality, sexual orientation, marital status or special assessment arrangements

Supporting Learners with Specific Needs

“Double Two” Consultancy, who will be delivering and directing the course, will offer advice, guidance and support to anyone who has any specific needs.

Identification of Learners Needs:

We will seek to identify learners with potential support needs at the recruitment stage of any programme we deliver.

This includes the following:

- a. Checking learner application forms for details of any disclosed impairments
- b. Identifying any potential support needs for the induction session and ensuring those requirements are planned for
- c. Encouraging disclosure of any longer term needs
- d. Ensuring that appropriate staff are fully aware of the declared needs of individual learners they are working with

We will then ensure that:

- e. All learning resources are available in an accessible format. Written materials will be provided in a font and on appropriate coloured paper suitable for learners
- f. Physical adjustments to equipment to give an accessible learning environment e.g. desks, chairs, computers (where available) etc.
- g. All venues used for training purposes are accessible and fit for purpose
