Thank you

Think about someone who has helped you or been kind to you recently. How did it make you feel? Take the time to write them a thank you note, tell them how you felt and how they helped you. It could be anyone, a friend, teacher, family or youth worker.

A rectangular card template with a yellow scalloped border. At the top left, the word "THANKYOU" is written in large, bold, black, hand-drawn capital letters. To the right of the text is a simple orange sun icon with rays. Below the title, there are two sets of horizontal dotted lines for writing. The first set is preceded by the text "To....." and the second set is preceded by "Thank you for.....".
