Subject: Let's Light Up Young Lives This Christmas!

Dear Team,

As we enter the holiday spirit, we want to share a meaningful opportunity to make a difference in our community. We're proud to be supporting The Eikon Charity, who are doing great work supporting children and young people in Surrey to feel safe, heard and supported.

This year, they are running **The Eikon Charity's Christmas Star** Appeal. In return for a donation, they're offering beautiful wooden stars hand-decorated by young people they support. Some stars even feature personal mental health tips on the back.

By donating to Eikon and receive a star, you can:

- Gift it to someone special, spreading joy this festive season
- Hang it on your Christmas tree as a symbol of hope

With only a limited number of stars available, your support can make a real impact.

Learn more and get your star [here](#).

Let's come together to brighten the lives of young people this Christmas!

Warm wishes,
